

What is **Family & Friends®** **CPR Anytime®?**

CPR Anytime is for anyone who wants to learn basic CPR skills, choking relief and AED awareness, and does not need a course completion card to meet a job requirement.

The kits contain everything needed to learn basic CPR, AED skills and choking relief anywhere, from the comfort of your home to a large group setting. People who receive the Family & Friends® CPR Anytime® kits are able to share lifesaving skills with their loved ones by using the kit to train their entire family. Using a multiplier effect, studies have shown that for every single Family & Friends® CPR Anytime® kit used for training, an average of 2.5 people learn CPR.
